

This is the time of year when we are “bursting at the seams” to ensure that we have everything you need to make the Christmas season extraordinary!! Our holiday season fabrics (which began to arrive in July) are now almost complete – some on second order – and we have finally found space for ALL in the shop. There is an amazing selection of charm squares, layer cakes and jelly rolls in Seasonal too. Some of the flannel fabrics are Be Merry, Chillin’ and Warm up Winter. Cotton fabrics are many, but we feature Frosted Memories, Glace and Holiday Flourish. We can’t believe what “The Boss” has ordered this year... as it goes out the front door in your bags – it’s coming in the back door in boxes. YIKES – what a race!!!

We have the BEST EVER selection of kits – to make and give as gifts. While we always have quilt and wall hanging kits of all different sizes – this year, we are overboard with kits that **transform** into all kinds of treasured gifts: aprons, pillowcases, decorator pillows, placemats and table runners.

***Check out the OLYMPIC GAMES kits - first time ever we have Canadian themed fabrics!***

Our always successful **MEN’S NIGHT** is **December 9<sup>th</sup>** – just a few of us ready to assist some Nervous Newbies and welcome back a whole bunch of Experienced Experts. We help fulfill the Wish Lists and then get it all wrapped up and ready to put under the tree! They always get something extra for your stocking and many win great door prizes for you

too!

**WISH LISTS???** Quiltessential Co has always had a Gift Registry.... share your Quilting Wish List with us... it stays Private and **Secret** for those times of the year when family & friends are looking for great ideas!!

**Best of the Season from Ingrid and the Quiltessential Co Staff!**
